Welcome to Cy-Fair College

A responsive, innovative, collaborative learning community where student success defines its very structure. Cy-Fair College has designed its facilities, programs and services to provide a successful learning experience that prepares students for the rapidly changing workforce and world. Everything about Cy-Fair College has been designed to make learning a lifelong process that is successful, challenging and enjoyable.

To deliver on our promise to make education accessible and convenient Cy-Fair College has two locations:

• Cy-Fair College Barker Cypress Campus, a 200-acre comprehensive campus located at West and Barker Cypress Roads.

• Fairbanks Center, a satellite center located at Highway 290 and West Little York Road. The Fairbanks Center is strategically designed for students who live or work in the southeast portion of the Cypress Fairbanks community.

Don’t miss your opportunity to begin working towards your goals and creating a better future at Cy-Fair College – the most exciting innovation and higher education today!

ART AND LEISURE

Art and Leisure

Beginning Bird Watching
This basic bird watching class will provide an introduction to basic tools and identification skills necessary to enjoy a wide diversity of bird life. Students will be given basic information about where, when and how to identify birds, how to attract birds to your backyard, and how to get involved with local organizations. Your enthusiasm, binoculars and a field guide (either National Geographic Birds or David Sibley’s Birds) are all that are necessary. This course will include one two-hour lecture and one two-hour field trip.

0.4 CEUs  $34
Barker Cypress Campus
87277 CKINE 3900006 CY300 Sa 4/8-4/15 9 - 11 AM

Ceramics I
An introduction to ceramics processes through the study of basic materials and techniques. Includes hand building, bisque, glazing and firing procedures, as well as the use of the potter’s wheel. Students supply their own clay.

9.6 CEUs  $164/$137 Sr. Citizen
Barker Cypress Campus

Ceramics II
This course investigates advanced techniques, as well as the creative possibilities of clay, glazes and firing procedures. Prerequisite: Ceramics I or permission from instructor. Students supply their own clay.

9.6 CEUs  $164/$137 Sr. Citizen
Barker Cypress Campus
95683 CART 3234701 CY800 MW 1/18-5/10 1:30 - 4:20 PM ART 117
All art classes require additional supplies. A supply list will be provided the first day of class and will vary per instructor.

Community Gardening
Learn to organize a community garden, explore organic gardening techniques, develop charitable and thematic gardens and develop skills to build a private plot.

0.1 CEUs  $22
Barker Cypress Campus
95547 CHALT 3900012 CY300 Sa 1/14-5/6 9 - 10 AM

Creating Custom Cards and Gift Bags
Join in the fun as you make a card organizer, 5 gift bags with coordinating gift cards and tissue paper, and 20 cards with envelopes in five different designs. You will create custom birthday cards appropriate for children, women and men, as well as Thank You and sympathy cards using exciting stamping and paper tearing techniques. You will also learn how to “step-up” the cards with the use of embellishments to send to that special someone. Upon finishing your handmade cards, you can then store them in your newly created card organizer to keep them handy and looking good! Supplies will be approximately $10 per student.

94449 CHUMD 3900051 CY300 W 2/1-2/22 7 - 9 PM
ARTS & LEISURE

Introduction to Mosaic Tiling
Do you love beautiful mosaic tiling but not the prices that accompany this look? Well, now is your chance to learn how to create your own mosaic masterpieces for a fraction of the cost. During this hands-on course you will be introduced to the tools, materials, and techniques necessary to complete your very own mosaic clay pot project. A supply list will be mailed before class begins. 1.2 CEUs $38/$31 Sr. Citizen
Fairbanks Center
95040 CARTS 3800034 CF300 Sa 2/4/18 - 4/22/18 9 AM - 1 PM FAIR 107

Understanding Shakespeare
This introduction to Shakespeare seeks to provide a foundation of knowledge about a segment (tragedy, comedy, history, romance) of the playwright’s works. Ideally, this understanding will lead to a life-long enjoyment and appreciation of Shakespeare. We will explore ways of looking at literature. Although our primary focus will be on the universal themes in the plays, we will also seek a basic understanding of conditions in which Shakespeare wrote. Like all great writers, he responded to contemporary issues some of these circumstances are relevant today; some are trivial and ephemeral.

95796 CPHTC 3235601 CY801 MW 1/18-5/10 4:30 - 7:20 PM ART 114
A 35mm SLR camera is required for this creative/art photography course. A complete supply list will be distributed on the first day of class and will vary per instructor.

Photo II
A continuation of Photo I, students will study photographic theories, techniques and processes. Analysis and use of design and compositional elements in photography are stressed. Students must have 35mm, single lens reflex camera with capacity of manual control for focus and exposure. Students will also purchase their own supplies. 9.6 CEUs $164/$137 Sr. Citizen
Barker Cypress Campus
95798 CPHTC 3235701 CY800 MW 1/18-5/10 1:30 - 4:20 PM ART 114
A 35mm SLR camera is required for this creative/art photography course. A supply list will be distributed on the first day of class and will vary per instructor.
Sculpture

Sculpture I
An exploration of various sculptural approaches in an assortment of media including additive and subtractive methods. Textbook tools and supplies purchased by student. 9.6 CEUs $154/$127 Sr. Citizen
Barker Cypress Campus
95685 CARTS 3232601 CY800 MW 1/18/5/10 1:30 - 4:20 PM ART 116
All art classes require additional supplies. A supply list will be provided the first day of class and will vary per instructor.

Sewing

Sewing Basics
Students will learn basic sewing skills while completing several easy projects in class with guidance from the instructor. Topics to be covered include selecting appropriate fabric, laying out and reading patterns, understanding a variety of notions and how they are used, making casings, putting in sleeves, sewing darts, hemming a garment, and sewing in a zipper. Students will need to bring their own machine to each meeting. A supply list will be mailed before class begins. 1.5 CEUs $47/$38 Sr. Citizen
Fairbanks Center
96247 CARTS 3980005 CF301 Tu 1/31/2/28 6:30 - 9:30 PM FAIR 106

Sewing Simply - Level 3
Improve your skills and build on what you learned in Level 1 & 2 in a hands-on class. Have fun learning more basic sewing skills as you make additions to your sewing notebook while progressing to a more challenging project. The project for this level will be a two piece pajama set. Completion of Level 1 & 2 suggested. Students will need to bring their sewing machine in good working condition to class. Students will be required to purchase a $10 kit. A supply list will be provided prior to class. 1.2 CEUs $38/$31 Sr. Citizen
Barker Cypress Campus
95657 CARTS 3800038 CY300 Tu 2/28/4/4 6 - 8:30 PM TECH 115

Sewing Simply - Beginner Basics
This 3 week hands-on class will teach beginners basic techniques such as zipper installation, elastic application, how to apply ribbing, etc. Students will make various samples that they can take home for future reference. Have fun learning more basic sewing skills to use on more challenging projects. Completion of Level 1 suggested. Students will need to bring their sewing machine in good working condition to class. Students will be required to purchase a $5 kit. 0.8 CEUs $26/$22 Sr. Citizen

This course addresses training in a more advanced level of the design software SolidWorks. Prerequisite: SolidWorks introduction. 4.2 CEUs  $174
Barker Cypress Campus
95746 CENTC 2109003 CY300 TTh 3/28-5/11 6:30 - 9:30 PM
**Basic Computer-Aided Dftg. Comp**
An introduction to computer-aided drafting. Emphasis is placed on setup; creating and modifying geometry; storing and retrieving predefined shapes; placing, rotating, and scaling objects, adding text and dimensions, using layers, coordinate systems, and plot/print to scale. Textbook required. This course linked to DFTG 1309. 9.6 CEUs  $142
Barker Cypress Campus
95749 CDFTG 2100902 CY800 TTh 1/17-5/11 8:30 - 11:20 AM TECH 116
95750 CDFTG 2100902 CY801 TTh 1/17-5/11 6 - 8:50 PM TECH 116
This course is linked to DFTG 1305.

**Technical Drafting**
Introduction to the principles of drafting to include terminology and fundamentals, including size and shape descriptions, projection methods, geometric construction, sections, auxiliary views, and reproduction processes. Must have high school diploma, successful completion of GED or be in the early admissions program. Textbook required. This course linked to DFTG 1305. 9.6 CEUs  $142
Barker Cypress Campus
95747 CDFTG 2100501 CY800 TTh 1/17-5/11 1 - 3:50 PM TECH 118
95748 CDFTG 2100501 CY801 MW 1/18-5/10 6 - 8:50 PM TECH 118
This course linked to DFTG 1305.

**Design Communication I**
Study of design development relating to graphic design terminology, tools and media and, layout and design concepts. Topics include integration of type, images and other design elements, and developing computer skills in industry standard computer programs. Textbook required. This course linked to ARTC 1317. 8.0 CEUs  $156
Barker Cypress Campus
95790 CARTC 2101701 CY800 MW 1/18-5/10 1:30 - 4:20 PM TECH 209
Course contains WebCT component.

**Digital Imaging I**
Digital imaging using raster image editing and/or image creation software: scanning, resolution, file formats, output devices, color systems, and image-acquisitions. Must have high school diploma, successful completion of GED or be in the early admissions program. Textbook required. This course linked to ARTC 1302. Prerequisites: Competent knowledge of either Macintosh or Windows operating system. 8.0 CEUs  $156
Barker Cypress Campus
95785 CARTC 2100202 CY801 TTh 1/17-5/11 6 - 8:35 AM TECH 210
95783 CARTC 2100202 CY800 MW 1/18-5/10 1:30 - 4:05 PM TECH 110

**Digital Imaging II**
Principles of digital image processing and electronic painting. Emphasis on bitmapped or raster-based image marketing and the creative aspects of electronic illustration for commercial and fine art applications. Linked with ARTC 2305. 8.0 CEUs  $156
Barker Cypress Campus
95792 CARTC 2200501 CY800 MW 1/18-5/10 6:30 - 8:30 PM TECH 210

**Digital Publishing I**
The fundamentals of using digital layout as a primary publishing tool and the basic concepts and terminology associated with typography and page layout. Must have high school diploma, successful completion of GED or be in the early admissions program. Textbook required. This course linked to ARTC 1313. 8.0 CEUs  $156
Barker Cypress Campus
95787 CARTC 2101300 CY800 TTh 1/17-5/11 11:30 AM - 2:05 PM TECH 210

**Intro. to Multimedia**
A survey of the theories, elements, and hardware/software components of multimedia. Topics include digital image editing, digital sound and video editing, animation, web page development, and interactive presentations. Emphasis on conceptualizing and producing effective multimedia presentations. Must have high school diploma, successful completion of GED or be in the early admissions program. Textbook required. This course linked to IMED 1301. 9.6 CEUs  $156
Barker Cypress Campus
95793 CIMED 2100101 CY800 TTh 1/17-5/11 2:30 - 5:20 PM TECH 209

**Gaming Fundamentals**
Topics address recently identified current events, skills, knowledge, and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. This course was designed to be repeated multiple times to improve student proficiency. This course provides the principles and methodologies behind the development, rules and playing of games. Detailed study of the gaming function examining various experiences, including role-playing, social game interaction, and integration of visual, audio, tactile, and textual elements into the gaming experience. Develop the interactive environment, including: characters, plot, dialogue, back story and world creation. Address the technical challenges of software development: issues of design testing, documentation, content creation, team roles, group dynamics, and risk management. Evaluate the economics of the gaming industry: how games are funded, marketed, and sold. Also address the relationship between publishers, developers, marketers, and retailers. Address the legal issues that affect games, developers and players, such as intellectual property, contract law, and copyrighting. Also included is a study of the social and governmental forces that impact the legislation and regulation of game content. 8.0 CEUs  $156
Barker Cypress Campus
96173 CARTC 2100910 CY800 TTh 1/17-5/11 1 - 3:35 PM TECH 218
For more information on the LAB gaming program, go to http://faculty.nhmccd.edu/katrjones.

**Cisco Certified Networking Associate (CCNA)**
- CCNA1: Networking Basics
- CCNA2: Router & Routing Basics
- CCNA3: Switching Basics/Intermediate Routing
- CCNA4: WAN Technologies

**Cisco Certified Networking Professional (CCNP)**
- CCNP5: Advance Routing
- CCNP6: Remote Access
- CCNP7: Configuring LAN Switches
- CCNP8: Internetwork Troubleshooting

**CCNA 1: Networking Basics**
A course introducing the basics of networking including network terminology, local area networks (LAN) and wide area networks (WAN). Topics include network protocols such as TCP/IP, Open System Interconnection (OSI) models, cabling and routers. Prerequisites: Must have high school diploma, successful completion of GED or be in the early admissions program. ITSC 1401 or ITSE 1402, ENGL 0305 or ENGL 0316 AND ENGL 0307 or 0326, OR higher level course (ENGL 1301), OR placement by testing; Textbook required. Linked to ITCC 1402. 8.0 CEUs  $198
Barker Cypress Campus
93858 CITCC 2100204 CY800 MW 1/18-3/9 5:30 - 10:35 PM TECH 121
This is an 8-week course, from 1/18/06-3/9/06

**Multimedia**
Emphasis on conceptualizing and producing effective multimedia presentations. Must have high school diploma, successful completion of GED or be in the early admissions program. Textbook required. This course linked to IMED 1301. 9.6 CEUs  $156
Barker Cypress Campus
95793 CIMED 2100101 CY800 TTh 1/17-5/11 2:30 - 5:20 PM TECH 209
CCNA 2: Router & Routing Basics
An introduction to basic Cisco router configuration. Topics include initial router configuration for TCP/IP, configuration of Cisco IOS and router configuration files, routing protocols, and access control lists. Prerequisites: Must have high school diploma, successful completion of GED or be in the early admissions program. ITCC 1406 (CCNA 1), ENGL 0305 or ENGL 0316 AND ENGL 0307 or 0326, OR higher level course (ENGL 1301), OR placement by testing; Textbook required. Linked to ITCC 1406
8.0 CEUs $198
Barker Cypress Campus
93874 CITCC 2100601 CY800 MW 3/13-5/10 5:30 - 10:35 PM TECH 121
This is an 8-week course, from 3/13/06-5/10/06.

CCNA 3: Switching Basics/Interm Routing
A course focusing on advanced topics including IP addressing techniques, intermediate routing protocols, CLI configuration of switches, Ethernet switching, VLANs, Spanning Tree Protocol, and VLAN Trunking Protocol. Prerequisites: Must have high school diploma, successful completion of GED or be in the early admissions program. ITCC 1406 (CCNA 2), ENGL 0305 or ENGL 0316 AND ENGL 0307 or 0326, OR higher level course (ENGL 1301), OR placement by testing; Textbook required. Linked to ITCC 1442
8.0 CEUs $198
Barker Cypress Campus
93876 CITCC 2104201 CY800 F 5/13-7/10 6 - 10:30 PM TECH 121
This is an 8-week course, from 2/1/06-3/1/06.

CCNA 4: WAN Technologies
This course focuses on advanced IP addressing techniques (Network Address Translation [NAT]), Port Address Translation [PAT], and DHCP, WAN technology and terminology, PPP, ISDN, DRR, Frame Relay, network management, and introduction to optical networking. In addition, the student will prepare for the CCNA exam. Prerequisites: Must have high school diploma, successful completion of GED or be in the early admissions program. ITCC 1442 (CCNA 3), ENGL 0305 or ENGL 0316 AND ENGL 0307 or 0326, OR higher level course (ENGL 1301), OR placement by testing; Textbook required. Linked to ITCC 1446
8.0 CEUs $198
Barker Cypress Campus
93880 CITCC 2104601 CY800 F 3/17-5/13 6 - 10:30 PM TECH 121
This is an 8-week course, from 3/18/06-5/13/06.

CCNA 5: Advanced Routing
A study of advanced network deployment issues and methods used to configure Cisco routers for effective LAN and WAN traffic management. Topics include designing scalable internetworks, managing traffic, configuring OSPF in single and multiple areas, configuring EIGRP, and configuring and using interior and border gateway routing protocols. Prerequisites: Must have high school diploma, successful completion of GED or be in the early admissions program. ITCC 1446 (CCNA 4) or Cisco CCNA Industry Certification, ENGL 0305 or ENGL 0316 AND ENGL 0307 or 0326, OR higher level course (ENGL 1301), OR placement by testing; Textbook required. Linked to ITCC 2432
9.6 CEUs $198
Barker Cypress Campus
94636 CITCC 2203201 CY800 MW 1/18-5/10 6 - 9:35 PM TECH 122

CCNA 6: Remote Access
Designing and building remote access networks with Cisco products. Topics include assembling and cabling WAN components, configuring network connections via asynchronous modem, ISDN, X.25, and frame relay architectures and associated protocols. Prerequisites: Must have high school diploma, successful completion of GED or be in the early admissions program. ITCC 1446 (CCNA4) or Cisco CCNA Industry Certification; ENGL 0305 or ENGL 0316 AND ENGL 0307 or 0326, OR higher level course (ENGL 1301), OR placement by testing; Textbook required. Linked to ITCC 2436
9.6 CEUs $198
Barker Cypress Campus
94638 CITCC 2203601 CY800 MW 3/18-5/10 6 - 9:35 PM TECH 121

Firewall and Network Security
Identify elements of firewall design, types of security threats and responses to security attacks. Use best practices to design, implement, and monitor a network security plan. Examine security incident postmortem reporting and ongoing network security activities. 8.0 CEUs $188
Barker Cypress Campus
93887 CITSY 2100302 CY800 MW 1/18-5/10 6 - 8:30 PM TECH 121

Fundamentals of Networking (CompTIA NET+)
Instruction in networking technologies and their implementation. Topics include the OSI reference model, network protocols, transmission media, and networking hardware and software. Must have high school diploma, successful completion of GED or be in the early admissions program. Textbook required. This course linked to ITNW 1425. Prerequisites: Itsc or COSC 1401 (or Introduction to Computers Comp), ENGL 0305 or ENGL 0316 and ENGL 0307 OR 0326 OR higher level course (ENGL 1301) or placement of testing. 8.0 CEUs $200
Barker Cypress Campus
93981 CITNW 2109201 CY800 Tu 1/17-5/7 6 - 8:35 PM TECH 121
Contact Ms. Kimberly Hubbard, for more information, go to http://Faculty.nhmccd.edu/khubbard.

Home Networking Fundamentals
Learn how to install your own home network in this mini-lab course. Do you have two or more family/office members who often need to connect to the internet at the same time? Or, do you enjoy multiplayer games which can be played over a network? These are just a few of the reasons for setting-up a home network (peer-to-peer). This course is also intended for students interested in enrolling in Net +, as the fundamentals of networking are covered. Also review IT vendor and non-vendor specific certifications and career opportunities, such as: A+, Cisco, BICSI, MCSE, and CIW.
4.0 CEUs $166
Barker Cypress Campus
94643 CITNW 2109209 CY300 Sa 3/25-5/13 9 AM - 2 PM

IT Essentials I: PC Hardware and Software (CompTIA A+)
An introduction to information technology and data communication. Includes topics on personal computer hardware and software and basic networking concepts. 8.0 CEUs $256
Barker Cypress Campus
93885 CCPMT 2100501 CY800 MW 1/18-5/11 6 - 8:35 PM TECH 215

IT Essentials II: Network Operating (CompTIA Linux+)
An overview of network operating systems and specifically covers the Linux Red Hat Network operating system. Students will learn how to use the Linux operating system, the K Desktop Environment (KDE), and GNU Network Object Model (GNOME).
8.0 CEUs $256
Barker Cypress Campus
93891 CCPMT 2100601 CY800 Th 1/17-5/11 6 - 8:35 PM
Programming

Advanced Visual Basic Programming
Further applications of programming techniques using Visual BASIC. Topics include file access methods, data structures and modular programming, program testing and documentation. Must have high school diploma, successful completion of GED or be in the early admissions program. This course linked to ITSE 2449. Textbook required. Prerequisite: ITSE 1431 (or Introduction to Visual Basic Programming Comp), ENGL 0305 or ENGL 0316 and ENGL 0307 OR 0326 or higher level course (ENGL 1301), or placement by testing, MATH 0310. 8.0 CEUs $200

Barker Cypress Campus

Cy-Fair Discovery College

Cooking for Kids
Calling all junior chefs! While wearing your very own chef’s hat, you will get to mix, measure, pour and create your own entree or dessert while learning kitchen math and safety. Besides making something tasty each class, you will also learn to properly set the table and practice good table manners. And best of all, you get to try all the delicious dishes that you created in class. So come on along, and let’s get cooking! .6 CEUs/$30

Fairbanks Center
96717 CYTHS 3980029 CF301 TH 1/21-2/25 5 - 6 PM FAIR 107

95197 CITSC 7000007 CY314 3/27-5/8

Centro Comunitario de Aprendizaje IV
Este curso es una continuación del Centro Comunitario de Aprendizaje III. El alumno obtendra conocimientos fundamentales de las aplicaciones mas usuales de Microsoft PowerPoint. 2.4 CEUs $29

Barker Cypress Campus
95164 CITSC 7000008 CY303 1/23-3/6
95170 CITSC 7000008 CY307 2/13-4/3
95192 CITSC 7000008 CY311 3/6-4/24
95199 CITSC 7000008 CY315 3/27-5/8

Las clases serán impartidas en el segundo piso de la biblioteca en el área de tutoría. De Lunes a Jueves de 10:00AM-1:00PM y de 4:00 PM - 8:00 PM. Y los Viernes de 10:00 AM a 12:30 PM. Si tiene alguna pregunta llame a Cecilia Espinoza al 281-290-5278.
EDUCATION

ENGLISH AS A SECOND LANGUAGE

CELTA Teacher Certificate
A teacher-training program conducted in partnership with the University of Cambridge, UK, to offer the Certificate in Teaching English to Speakers of Other Languages [CELTA]. It has been designed to prepare qualified teachers for adult education, credit and continuing education ESL classes as well as to provide ESL methodology and techniques to content instructors who are consistently seeing more and more limited-English proficient students in their classes. The certificate has recognition as an initial qualification for English language teaching to adults internationally. Topics address recently identified current events, skills, knowledge, and/or attitudes and behaviors pertinent to the technology or occupation and relevant to the professional development of the student. 11.2 CEUs $1756

Barker Cypress Campus
MTWThF 2/13-3/10 9 AM - 5 PM

To apply please refer to CELTA application process below.

ESL Teacher Training

Vocational Basic ESL
Basic Vocational ESL
Vocational English-as-a-Second Language training; addresses essential listening, speaking, reading, writing, and computational skills; Placement test required. Student purchases text. 4.2 CEUs $80

Fairbanks Center
95063 CCOMG 2100307 CF304 TTh 1/17-3/9 7:30 - 10:20 AM FAIR 220
Class will not meet 2/23.
95065 CCOMG 2100307 CF305 MW 1/23-3/8 5:30 - 8:30 PM FAIR 220

ESL for Communication
Presentation of basic reading, writing, speaking and listening skills for students whose primary language is other than English. Extensive practice in reading and comprehending simple short stories, articles, and dialogues and writing related sentences. Emphasis on high-frequency vocabulary (basic sight words) and phonics; refining oral and written production and listening skills; and increasing control of the English sound system to minimize miscommunication or misperception due to foreign accent. Students take placement test and purchase textbook. 4.8 CEUs $90

Technical Occupations

Welding

Gas Metal Arc Welding (MIG) Intro
A study of the principles of gas metal arc welding, setup, use of GMAW equipment, and safe use of tools/equipment. Instruction in various joint designs. Prerequisites: SMAW Intro & Intermediate. Student purchases text, shop tools, and safety gear. 9.6 CEUs $212
Barker Cypress Campus
95826 CWLDG 2103002 CY800 TTh 1/17-5/11 6 - 8:50 PM ART 214

This course is linked to WLDG 1430

Gas Metal Arc Welding (MIG), Advanced
This course presents advanced topics in GMAW welding including welding in various positions and directions. Student will exhibit expertise in various welding positions on pipe; describe safety rules and equipment use; and describe the effects of welding parameters in GMAW. Prerequisite: Introduction to Gas Metal Arc Welding (MIG). Student must have high school diploma, successful completion of GED or be in the early admissions program. 9.6 CEUs $212
Barker Cypress Campus
95834 CWLDG 2204701 CY800 MW 1/18-5/10 1:30 - 4:20 PM ART 214

This course is linked to WLDG 2447

Gas Tungsten Arc Welding (TIG) Intro
An introduction to the principles of gas tungsten arc welding (GTAW), set-up, use of GTAW equipment, and safety. Welding instruction in various positions on joint designs. Prerequisites: SMAW Intro & Intermediate. Student purchases text, shop tools, and safety gear. 9.6 CEUs $212
Barker Cypress Campus
95829 CWLDG 2103102 CY800 TTh 1/17-5/11 11:30 - 2:20 PM ART 214

This course is linked to WLDG 1434

Gas Tungsten Arc (TIG) Welding, Adv
This course covers advanced topics in GTAW welding, including welding in various positions and directions. Additionally, student will exhibit expertise in various welding positions, describe safety rules and equipment used, and describe the effects of welding parameters in GTAW. The student will weld various joint designs, diagnose welding problems, and perform visual inspections. Prerequisite: Introduction to Gas Tungsten Arc (TIG) Welding. 9.6 CEUs $212
Barker Cypress Campus
95836 CWLDG 2103101 CY800 MWF 1/18-5/12 5 - 8:50 PM ART 214

This course is linked to WLDG 2451

Pipe Welding Introduction
An introduction to the welding of pipe using the shielded metal arc welding process, including electrode selection, equipment setup, and safe shop practices. Emphasis on weld positions 1G and 2G using various electrodes. 9.6 CEUs $212
Barker Cypress Campus
95831 CWLDG 2103501 CY800 MWF 1/18-5/12 5 - 8:50 PM ART 214

This course is linked to WLDG 1435

Pipe Welding, Advanced
Advanced topics involving welding of pipe using the shielded metal arc welding process. Topics include electrode selection, equipment setup, and safe shop practices. Emphasis on weld positions 5G and 6G using various electrodes. 9.6 CEUs $212
Barker Cypress Campus
95838 CWLDG 2205301 CY800 MWF 1/18-5/12 5 - 8:50 PM ART 214

This course is linked to WLDG 2453

Shielded Metal Arc Welding Introduction
An introduction to shielded metal arc welding process. Emphasis placed on power sources, electrode selection, oxy-fuel cutting, and various joint designs. Instruction provided in SMAW fillet welds in various positions. 9.6 CEUs $212
Barker Cypress Campus
95818 CWLDG 2102801 CY800 TTh 1/17-5/11 6 - 8:50 PM ART 214

This course is linked to WLDG 1428

Shielded Metal Arc Welding, Intermediate
The student will identify principles of arc welding; describe arc-welding operations of fillet and groove joints; explain heat treatments of low allow steels; and explain weld size and profiles. The student will prepare test plates; perform fillet welds in the overhead position; perform air carbon arc weld removal; perform bevel groove welds with backing plates in various positions; and demonstrate use of tools and equipment. 9.6 CEUs $212
Barker Cypress Campus
95832 CWLDG 2105701 CY800 TTh 1/18-5/10 1:30 - 5:20 PM ART 214

This course is linked to WLDG 1457

Machining

Machining I
An introductory course that assists the student in understanding the machinist occupation in industry. The student begins by using basic machine tools such as the lathe, milling machine, drill press, power saw, and bench grinder. Machine terminology, theory, math, part layout, and bench work using common measuring tools is included. Emphasis is placed on shop safety, housekeeping, and preventive maintenance.
4.8 CEUs $139
Barker Cypress Campus
96327 CMCHN 2103801 CY300 TTh 1/28-4/27 6 - 9 PM TECH 124

This course is linked to WLDG 2447
**COURSE REGISTRATION INFORMATION**

Course registrations may be completed in the following ways:

**IN PERSON**
Complete the registration form located at the back of this catalog and register in person at Cy-Fair College, 9191 Barker Cypress Road, Cypress, TX 77433 or at Fairbanks Center, 14955 Northwest Freeway, Houston, TX 77040. Registration hours are:

- **Monday - Thursday**: 8 am - 7:30 pm
- **Friday**: 9 am - 5 pm
- **Saturday**: 9 am - 2 pm

**MAIL**
Complete the registration form located at the back of this catalog and mail it to:

- Cy-Fair College
  - 9191 Barker Cypress Road
  - Cypress, TX 77433
- Fairbanks Center
  - 14955 Northwest Freeway
  - Houston, TX 77040

Along with the registration form, please also include a check made out to Cy-Fair College, or a credit card number, expiration date, and signature in the designated area of the enrollment form. An enrollment form without funds or the incorrect amount of funds will not be processed, and the student will not be enrolled into the requested course.

**FAX**
You may fax the registration form located at the back of this schedule to 281-290-5284 (Barker Cypress Campus) or 832-782-5035 (Fairbanks Center). Please include your credit card number, expiration date, and signature.

**BY INTERNET**
Most continuing education courses are available through online registration. If you have never previously registered at an NHMCCD college, go to www.cy-faircollege.com/cc and click on 'Registration'. Select courses using the search mechanism, enter the required personal information, and submit payment by credit card on our secure site. An email notification of the successful course registration will be sent.

If you have previously registered at any NHMCCD college, you may expedite your registration by logging onto Stargazer and click on the Link Register and Pay for Continuing Education Courses.

If you are unable to register online, please contact the college admissions office at 281-290-3200.

**RETURNED CHECKS**
There is a $30 charge for returned checks. Checks returned unpaid for any reason must be promptly redeemed by cash or money order. Registration for the class may be cancelled and all records withheld until the fees are paid. Student may not enroll or continue in the current course until payment has been made.

**LINKED COURSES**
Some Continuing Education (CE) classes are linked to the semestercredit hours (CR) courses. Both CR students and CE students are enrolled in the same section using the same textbooks and classroom materials. These classes may last the entire semester or any portion thereof. Students who register for these classes must meet the requirements as established through the CE program, and will earn Continuing Education Units (CEUs), not CR hours. If you wish to receive credit, you must enroll through the credit registration process rather than through the continuing education process. To qualify, as a CE or CR student, you must have a high school diploma or a successful completion of a GED, and meet any other established prerequisite. Students that have not obtained a high school diploma or GED will be assessed on a case by case basis.

**CLASS CANCELLATIONS**
Enrollments in Continuing Education classes are reviewed prior to the class start date. If, at any time, there is insufficient enrollment, the class will be cancelled. The instructor and all students will be notified by phone. If your class is cancelled, you will have the option of receiving a 100% refund or registering for another course.

**REFUNDS**
A 100% refund will be issued if a student withdraws from the course 24 hours prior to the first class meeting. Refunds may take up to 20 business days or longer to receive. Refunds will not be issued after the class begins. Emergency situations beyond the student’s control may warrant a transfer to another course in the same term. Requests of this type may be submitted on an Add/Drop form at the Admissions/Registrations desk within the first two weeks of classes. The individual must state the emergency situation and the desired outcome in the Add/Drop form.

**BOOKS/SUPPLIES**
Books and supplies are not included in the cost of a course unless indicated in the course description. Books may be purchased at the bookstore located on the campus where the course is offered or by ordering through the bookstore website at www.follett.com.

**CONTINUING EDUCATION UNITS (CEUs)**
One CEU is equal to 10 contact hours of successful completion of the requirements of a Continuing Education course. CEUs are recognized internationally as a measure of professional education and training.

**SENIOR CITIZEN DISCOUNTS**
Seniors 60 and older will receive a 20% discount on selected courses. Discounts will be automatically computed at the time of registration.

**HOLIDAY DATES**
There will be no Continuing Education classes meeting on January 16, February 23, April 14-16 and March 13-17.

**YOUTH**
Continuing Education classes are primarily designed to serve adult learners. Students between the ages of 15 to 17 years old must have written parental permission to participate in a course.

Students under age 18 should have a parent permission form that reads as follows:

“I understand that my child is under 18 years of age and may be exposed to adult material in the classroom and open labs, including libraries and learning centers. I will assure that I (or another responsible adult) will be available on campus to monitor his/her activities outside of class.”

Students 13 to 14 years old must have a parent or guardian enrolled in the same class. Classes specified for younger students or for a specific educational level will be noted in the course description.

**SEX OFFENDER POLICY**
Effective September 1, 2003, the Texas Code of Criminal Procedure 62.03(h) requires each person who is required to register as a sex offender and who intends to be employed, work with a contractor, or attend classes at an institution of higher education to register with the campus police department within 7 days. Current NHMCCD board policy requires that sex offenders seeking to enroll at, provide services to, or be employed with NHMCCD to submit information pertinent to his or her offenses to the District Review committee to determine his or her eligibility for enrollment, vendor services or employment. A person seeking to be a student shall be required to be approved before completing the registration process.
